• Note: Cambridge offers a full line of high quality digital indicators. Each model is offered in the standard AC power and in battery powered operation. Ask your dealer to recommend a model to meet your specific application.

If your patients or business require ramps or handrails please refer to the Cambridge Model 680-RX Series scale shown at right. ▶

▶ The Cambridge Model PB-P-RX features our exclusive “Tilt and Transport” portable design. The carbon steel column and two 4” Aqualite wheels with Delrin bearings permits easy transportation of the scale and indicator. Ask your dealer about our battery operated indicators for the ultimate portability package.
